On January 12, 2010, an earthquake of a magnitude 7.0 on the Richter scale struck 25km Southwest of Port-au-Prince, Haiti. Due to the close proximity of the epicentre to Port-au-Prince, mass destruction occurred throughout the region as numerous buildings collapsed in the Haitian capital and surrounding areas. Official death tolls numbered 220,000, with unofficial estimates stating that over 300,000 people were killed. The city of Léogâne, was also hit especially hard with over 90% of its buildings being destroyed. The Children's Centre in Ça-Ira, situated in Léogâne, was unfortunately amongst the buildings destroyed. GAIN over the past five years has been helping to re-construct the orphanage and school, and continue to support the children at the Centre.

YOU CAN MAKE A DIFFERENCE IN THE LIFE OF A CHILD

children are supported at the orphanage and your donations give them a hope for the future, as those who can bring change for tomorrow's Haiti.

We invest in the Children's Centre in the hope that it will impact not only the children living there now, but also the surrounding community and future generations.

As a sponsor you will receive two mailings per year with updates on your sponsor child and one mailing will include something sent from your sponsor child.
